

Clare Good

Mooreland Elementary

Have you ever thought what makes your school a great public school? I think Mooreland Elementary is a grand public school because we have awesome clubs, great specials, and amazing staff.

Have you ever thought how good your school's clubs are, well at Mooreland Elementary we have clubs you will want to spend your time on? If you are into Lego's then we have Lego Clubs that are after school and that will make you want to go to school. We at Mooreland Elementary also have Zumba, Art, Chess, Pokemon, S.T.E.M., and Bloxels. These are the clubs that make our school a great public school.

Did you know your specials make your school a superb public school? At Mooreland Elementary, we have many specials. To start, each class gets two physical education classes taught by Ms. Rodgers, Mr. Grala, Mrs. Rossow, and Ms. Coy. During art class we have Ms. Davenport who is an amazing and artistic art teacher. The grades of K, 1, 2, 3 all have counseling with Mrs. O. The 4th and 5th graders in place of counseling have ukulele with Mrs. Ream. We also have Library and Music. These are the many specials that make our school a great public school.

At Mooreland Elementary, we have many out of this world teachers that make our school a great public school. In Kindergarten, we have many kind teachers such as Mrs. Kirby, Mrs. Brown, and Mrs. Runkel. Mooreland has many outgoing teachers in 1st grade like Mrs. Quickel and Mrs. Steinour. In 2nd grade, we have three delightful teachers, Mrs. Fair, Mrs. Good, and Mr. Sniscak. We have 3 spectacular 3rd grade teachers, Mr. Arvey, Mrs. Skupnick, and Mrs.

Whiteman. Then we have the amazing 4th grade teachers, Mrs. Kuntz, Miss Taylor, and Mrs. Bjerke. Last but not least, 5th grade has many outstanding teachers with the "last names" of Mrs. Eschenmann, Mrs. Wohlgemuth, and Mrs. Harig. These are the teachers that make our school a great public school.

Have you ever thought of the great memories you made at school? Well these are some of the memories I had at this great public school from each grade. In Kindergarten I had Mrs. Brenneman who sadly retired but we had a lot of good memories. In first grade, I had Mrs. Quickel who is currently out with a baby but we "tried" to make ice cream twice but both times failed. In second grade I had my own mother so I have many fabulous memories. Third grade I had Mr. Arvey and my memory with him is he never wore shoes. My current grade is 4th grade and I've made many fabulous memories already. Last but not least fifth grade which I haven't gotten to yet but am excited to go and make memories. These are the memories that I made with the teachers that make my school a great public school.

Overall, Mooreland Elementary School is an amazing public school.
