

6th Grade Safety Science Contract

1. I will conduct myself in a responsible manner at all times in the classroom. No horseplay.
2. I will follow all written and verbal instructions carefully. If I do not understand the directions or part of a procedure, I will ask the teacher before going on.
3. When first entering a science room, I will not touch any equipment or other materials until I am instructed to do so.
4. My work area will be kept neat at all times.
5. I will keep the aisles clear and push my chair in.
6. I know the location and operating procedure of all safety equipment including the first aid kit, eye wash station, phone and location of phone numbers. I know where the fire alarm, fire extinguisher, and fire exits are located.
7. I understand that students are never permitted in the science storage room.
8. I will handle any animals carefully and respectfully. I will not touch the cage.
9. I will carry my laptop with two hands, and not damage any part of it in any way.
10. I will report any accidents or injury to the teacher immediately, no matter how trivial it may appear.

Consequences may include:

I have read the 6th grade science contract and agree to abide by all statements.
