

10/12/2020

Dear CGS Families,

What a great week it was seeing our girls take the field and pull off a win on Saturday against State College! We are looking forward to the games this week and celebrating our seniors on Tuesday night!! (**Many thanks to** Shelly & Jorene for overseeing this event!!)

We have a few updates for you related to the Carlisle Girls Soccer program:

1. Thank you to everyone who enjoyed dinner from Chipotle on Saturday evening. It sounds like they were busy all night, so let us hope they were all supporting our girls! Looking forward to our next event on October 24<sup>th</sup> at Panera Bread!!
2. Your girls are coming home this evening with a fundraiser from for the Italian Taxi. All the instructions are on the attached letter. If you have any questions, please contact April Brymesser, [jnabrymesser@gmail.com](mailto:jnabrymesser@gmail.com) or 717-386-4379. We are hopeful this will be a successful fundraiser for the girls' soccer program.
3. Thank you to the parents who have volunteered to film the JV/Varsity games so far this season. The coaches have thoroughly appreciated having this done to refer to and have the girls watch. We still have many open slots for the upcoming games. Please consider serving the team in this way. The set-up is easy and all you do is follow the play for the duration of the game. [Filming at Games](#)
4. Many thanks to our **ball runners** this past week. They all did a great job during the games. We have added two more home games, and still have some spots open on other games for anyone available to help. Ball runners receive \$5.00 per game!! [Ball Runners](#)
5. The girls have enjoyed having snacks and extra water on their game days. They have been taking them during our home games as well, which they have appreciated since we do not have a concession stand. Thank you to all who have donated so far. Please consider signing up for games to come, even if your daughter does not ride the bus since they are enjoying them at home too! [Snack & Water Donation](#)
6. If you have taken pictures at games, we would love to have them for the yearbook! You can send them to this email.

Thank you all for your continued support for the 2020 Carlisle Girls Soccer Team this season!

Sincerely,

Your CAGSA Board

Jodi, Allison, April, Kelli, Jen, Lyndsey, Katie, Clip
