REVISED:

	124. SUMMER SCHOOL
1. Authority SC 502, 1901, 1906	It is the policy of the Board that the district may conduct a summer program of remedial and enrichment instruction for resident students of this district and other students the Board may admit.
SC 1903	In order to support a program of summer instruction, the Board shall employ teaching and administrative staff; provide necessary books, materials, supplies, and equipment; and utilize schools or other facilities as required.
Title 22 Sec. 4.41	<p>Planned instruction offered in summer school may be designed as credit or noncredit offerings.</p> <p>The summer school classes shall be grouped into four (4) categories:</p> <ol style="list-style-type: none"> 1. Remedial (noncredit) - These classes are designed to help students overcome some weakness which is preventing them from having a satisfactory educational experience during the regular school term. The weakness will be addressed through specialized offerings. 2. Make-up (for credit) - Those students who failed a subject during the regular term have the opportunity to make up the failure. These students will be expected to maintain the same standards of achievement as required in the full-year course. These classes meet for a minimum of sixty (60) hours. 3. Enrichment (for credit) - For those students seeking formal learning experiences beyond those of the regular school term, the summer school offers an opportunity to study for full credit. These classes meet for a minimum of one hundred (100) hours. 4. Enrichment (noncredit) - Students may enroll in summer school enrichment courses that carry no credit. These will be scheduled according to student interest and the hours will be determined by the course offered.
