Home Education Supervisor:

Home education students in grades 3, 5 and 8 are required to take standardized tests. These students may take the *Pennsylvania State System of Assessment (PSSA)* and the *Keystone Exams* at their school district to fulfill the standardized test requirements. Your child is invited to participate in our testing.

If you are interested in having your child participate, please call your home school office no later than two weeks prior to the start of testing so we can plan for your child.
